How to reach Sardegna Ricerche?

By plane to the Cagliari-Elmas (CAG) airport.

From the airport to Pula.

Either taxi or rent a car or

train to Cagliari station (frequent), Bus station nearby (30 m), bus to Pula (less frequent...)

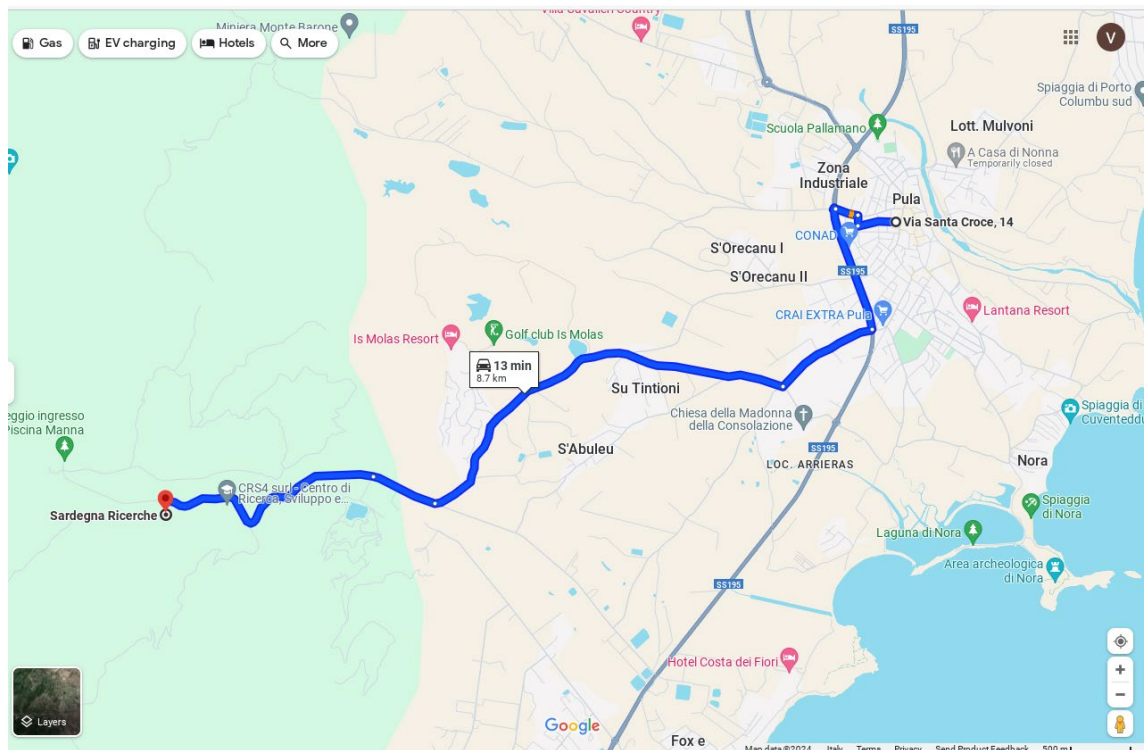

Very complete information on Google Maps.

From Pula to the meeting place

Sardegna Ricerche (where the meeting takes place, about 500 m away from CRS4) is approximately nine kilometers away from the Pula City Hall. There is almost no bus connection. No worries though, we will organize car-sharing to/from the hotels to the meeting venue (see further).

Car

Follow the map

When you see this, you are on your way. Continue to the left.

This is CRS4, you are almost arrived, just continue a few hundreds meters.

Next building on the left, look up to see this (not so obvious from the road). You have arrived! You can park on the right (dirt road...) or enter in the underground car park (it should be open). When or if it is closed, you can always open the exit door from inside!

The meeting room is at the top terrace level (on the left on the photo. You can reach it both proceeding underground or from above.

Public transport

From Pula to Polaris (CRS4 place), there is a small shuttle for those who do not take the car:

Linea Pula-Polaris

Departure: Pula Municipio (Town hall, Corso Vittorio Emanuele, 28/A) : 9.23 (only one course)

Arrival: Polaris Ed.2: 9.41

Departure: Polaris Ed. 2: 16.03 – 17.44

Arrival: Pula Municipio (Town hall): 16.16 – 17.57

It may not be convenient for the meeting. If needed, we will organize car sharing, comprised our family cars.

If you can, we strongly suggest you to rent a car at the airport.
